Within the SFP, the EMFF budget allocation for 2018 has been distributed across the following projects.

% Allocation of 2018 Budget

Project Background:

- Sales Notes is required for all Irish and non Irish vessels landing into Irish Ports
- Sales Notes records the sale of fisheries products and must be submitted within 24 to 48 hours after the first sale taking place depending on the turnover of the buyer
- Sales Notes are validated against the vessel and log sheets

Project Objective:

- To comply with the Landing Obligation, including the capture of additional information such as fish size (BMS), usage of fish etc.
- To implement a universal data exchange standard which is compatible with the regulations and international requirements
- To redevelop existing Sales Notes functionality to include:
 - External Portal for Buyers
 - Internal Portal for the SFPA
 - Improved user experience and validation
